Dear Mr. Croy,

Our office received your Title III Help America Vote Act (HAVA) complaint form on October 3, 2019. I have reviewed your complaint, but as the facts presented do not constitute a violation of the Help America Vote Act, your HAVA complaint must be dismissed.

HAVA requires states to allow any person who believes that there is a violation of Title III of HAVA to file a complaint. Title III lists certain requirements for elections for federal office related to voting systems, accessibility, provisional voting, voter information, and the statewide voter registration list. Your complaint does not fall into one of these categories and pertains to a local election and not a federal election. Therefore, the Help America Vote Act has not been violated.

However, we will still treat this as a general complaint and discuss the questions raised in your complaint with the Carter County Election Commission. Thank you for bringing this matter to our attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Dodd".

HAVA Attorney
