Administrative/Biographical History

Joan Abernathy performed as a pianist for several churches throughout the city of Nashville and surrounding areas from 1949 until her health began to fail in 2004. She provided music for funeral services as one of her responsibilities. She started to collect funeral programs as a hobby while attending these funerals. Her daughter, Theresa Gordon, realized that the information provided on the funeral programs could be beneficial for African American genealogy. After Joan Abernathy's death on June 17, 2011, Gordon gathered the funeral programs and donated them to the Tennessee State Library and Archives.

The second donor, Sandra Fentress, was a friend of the Abernathy family. When she heard about the donation of Joan Abernathy's funeral program collection to the Tennessee State Library and Archives, she added her funeral program collection to the donation.
