What Does It Mean to Be a Great Leader?

What does it mean to be a leader? It means you have to have courage. You should always be a kind leader. It's good to share ideas with others. Always work hard and never give up. If you are nice to everyone, everyone will think you are a nice person because you are. It's always good to show compassion. You should never care about skin color. You should never care about what other people say about you. You should always listen to other people's ideas. You should think highly of others. That's what it means to be a good leader.
